RENEWED PETITION UNDER 37 C.F.R. 1.47(b)

Dear Sir:

Reconsideration of the October 15, 2007 Decision on Petition Under 37 C.F.R. §1.47(b), filed April 9, 2007, is respectfully requested.

After re-contacting the inventor, the Applicant has now obtained the inventor's cooperation. The Applicant encloses the following documents to address the deficiencies alleged in the Dismissal:

- 1) DECLARATION AND POWER OF ATTORNEY executed by inventor Richard Röllin.

The Applicant believes that these documents sufficiently answer the alleged deficiencies of the Petition. The Applicant requests that the Dismissal be deemed moot. Furthermore, the Applicant requests that the application be passed to substantive examination. If it would be deemed helpful, the PCT Attorney Advisor is encouraged to contact the undersigning attorney.

Respectfully submitted,

Date: January 4, 2008

/Steven B. Courtright/
